Be sure to carefully read the **Country Store Rules—CBQNG Quilt Show 2019** before completing this form. The sales proceeds may be donated to the Quilt Show expense fund or returned to the guild member less a 20% commission fee (see Rule #2). Please check the box that indicates how you would like proceeds to be distributed:

100% to Quilt Show fund 80% to me & 20% to Quilt Show fund

In the chart below, please provide an itemized list of the crafts you are bringing to be sold in the Quilt Show Country Store. Like items (e.g. chicken pincushions) can be listed once and counted. Each unique item (e.g. pink peony 30”x40” quilt) must be described separately. Provide as much detail as possible in the item description with an accurate count. This inventory must match the number of items delivered to the Country Store on set-up day January 31, 2019 (see rule #5). Country Store chairpersons will count and compare when you bring items to the Show. Every item must be tagged with a Guild-provided sales tag with this information: (a) your assigned sales number, (b) a brief description of item, (c) size if applicable, and (d) selling price of item (see rule #3).

If you need additional space, fill out an additional form and staple it to this form.

Very important! Make a copy of this completed form before you turn it in. Please deliver the original completed form with your items to the Country Store the morning of January 31, 2019. We will NOT be able to make a copy at the Quilt Show venue. Your copy of the form will serve as your receipt when picking up unsold items at the close of the Quilt Show February 2 after 5 p.m. (see rules #4, #5 and #8).
